Monthly meetings take place in Southam Village Hall at 7:30 PM on the first Tuesday of each month. We are a relaxed and friendly group with a varied programme of events and we always welcome new members. New members can come to 3 **free** meetings before deciding on whether to join, so why not try us?

The JUNE and OCTOBER meetings are OPEN MEETINGS; everyone is welcome to come along to these – you don't need to be female or the slightest bit interested in joining the WI. There may be a small charge for non-members for these.
